

November 2017

Dear Applicant

Thank you for your interest in working for Unique Ways.

Based in Calderdale, West Yorkshire, Unique Ways is led by and works alongside families of disabled children to achieve the best possible outcomes.

We do this in two key ways:

- By providing a range of front line services for families
- Working alongside statutory agencies to improve the way in which support is provided to families with disabled children and young people

I would urge you to look through our website www.uniqueways.org.uk to find out more about what we do.

We have developed a culture of welcome, understanding, empathy and quality which in turn has increased our membership numbers by 75%.

A successful Big Lottery application also means that the organisation has funding towards delivering support services until early 2020.

Should you be successful in your application you will be joining us at a time where the Board want to capitalise on this period of financial stability and expect the successful candidate to have a firm eye on the future, ensuring that we are able to remain resilient to external pressures and diversify our income streams to mitigate against any negative change.

We hope that the information in this application pack and on our website ignites your passion for this role, as passion and commitment are things that run through every part of our organisation and its culture.

We are rightly proud of the work that we do, but we are also aware that there is still much to do particularly around developing a sustainable future for the organisation. We are committed to improving outcomes for families of

disabled children and young people in Calderdale and need a Chief Executive who has the drive, values and vision to take us on the next step of our journey.

David Fielden
Chair of the Board of Trustees

Please note: The closing date for this position is 5pm on Friday 15th December 2017. Applications received after this time will not be considered. CVs will also not be considered for this position.
