Tactile

Blue activity ball.

For more information contact Calderdale Parents and Carers on 01422 343090.

Proprioception Toys

Body Massager

060

Proprioception

Dual use massager, not only does it feel great, it also lights up and spins around on its feet if you put it on a flat surface.

Viperating Snake

061

Proprioception

Very popular battery-operated flexible vibrating snake. Allows the user to move the vibration behind their back, choice of 2 speeds. Use inside. Do not immerse in water and turn off after use. Not recommended for more than 20 minutes of use or on one area of body continuously.

Foot Massager

063

Proprioception

Combines roller balls with vibration, which can easily be controlled by feet.

Item contains:

- 1 x purple foot massager
- 1 x instruction manual

For more information contact Calderdale Parents and Carers on 01422 343090.

Gleams Ball

064

Proprioception

Switch it on and its off. Filled with lights and sound

For more information contact Calderdale Parents and Carers on 01422 343090.

Graduated Squeezums

065

Proprioception

The solid wooden rack has 5 different sized slots. The 5 wood sided pieces are also different widths. Each slot will accept every piece, but to match the colours requires gradually more 'squeeze' from the user to slide in to place.

Item contains:

- 1 x solid rack
- 1 x red foam block
- 1 x green foam block
- 1 x yellow foam block
- 1 x black foam block

For more information contact Calderdale Parents and Carers on 01422 343090.

Space Blanket

066

Proprioception

Three non-toxic and fire retardant blankets. When wearing this cool blanket every movement results in crackles and sparkles. Set of 3.

For more information contact Calderdale Parents and Carers on 01422 343090.

Weight Prism Set

067

Proprioception

Hardwood shapes in 6 pairs which can be colour matched, or turned over and matched by weight.

Item contains:

- 2 x red shapes
- 2 x yellow shapes
- 2 x green shapes
- 2 x blue shapes
- 2 x brown shapes
- 2 x purple shapes

For more information contact Calderdale Parents and Carers on 01422 343090

Acrobat

068

Proprioception

Pressing down with your hand or foot on the lever the large wooden Acrobat is sent spinning about his bar. Control of his movements is possible with measured pressure.

For more information contact Calderdale Parents and Carers on 01422 343090.

The Weights

069

Proprioception

These animal coded wooden cylinder pairs weigh a different amount. As you match the pairs you use your muscles in subtly different ways.

Item contains:

- 1 x rectangle box
- 2 x bees
- 2 x mice
- 2 x dogs
- 2 x bears
- 2 x elephants
- 2 x sheep

For more information contact Calderdale Parents and Carers on 01422 343090.

Scrunch Ball

070

Proprioception

Easy to inflate, red squishable ball. Needs a straw to inflate.

Item contains:

- 1 x ball
- 1 x straw

Giant Stress Ball

071

Proprioception

Feels like it's filled with play-dough.

For more information contact Calderdale Parents and Carers on 01422 343090.

Stretcheze Tall

072

Proprioception

This individual blue nylon lycra stretch band is used for resistance and stretch exercises. Wrap the band around your shoulders and put in your feet. Feel snug, supported, and able to press into the resistance. For height 5'6" to 6'.

Stretcheze Small

073

Proprioception

This individual blue nylon lycra stretch band is used for resistance and stretch exercises. Wrap the band around your shoulders and put in your feet. Feel snug, supported, and able to press into the resistance. For height up to 5' 6".

For more information contact Calderdale Parents and Carers on 01422 343090.

Weighty Snakey

Socialisation Toys

Simon

118

Socialisation

Joyk dolls from Sweden are widely known for their ability to trigger the caring instinct. Without asking anything in return their emotive faces, substantial bodies and detailed finish help unlock the children and adults who come in to contact with them. Within certain situations, we often express ourselves more openly. These beautifully designed and constructed dolls create opportunities for referring to the doll's imaginary feelings that do not need analysis.
